INNOVATION THRU  
IMAGINATIONFor safe, accurate  
weighing up to 7.5 tons.

The CHALLENGER 2 provides the features and reliability you expect from industry's leading manufacturer of electronic crane scales. When you weigh quality and price, there is not a better value than the CHALLENGER 2 for indoor weighing applications up to 7.5 tons.

Every CHALLENGER 2 is NTEP approved for accuracy. Its advanced electronics offer you versatility with an unrivaled standard feature set that includes: Tare, Units switching, Totalizing,

Peak Hold, Set Points, Filtering and a convenient lift-cycle counter. Mechanically, the CHALLENGER 2 has proven itself through years of service. A rugged, low-profile enclosure minimizes headroom loss while maintaining weather resistance and portability. It also sets the standard for readability. With several annunciators and oversized 1.2 in/30 mm LED digits, you can read the display easily from more than 50 ft/15 m away.

MSI products are sold and serviced by a worldwide network of factory-authorized distributors and backed by a full one-year warranty.

The optional remote control allows the operator to perform all scale functions conveniently and safely from a distance.
